

I am currently at work on a new translation/adaptation of [King Gordogan](#), by Radovan Ivsic, and a book entitled *Too Much of Nothing*, about my experiences as an older woman re-entering the youth-dominated arena of higher education and publishing. Her work can be viewed here at [Carlastockton.me](http://Carlastockton.me) and on the bi-weekly column "Get Real" that she writes for [Catch & Release](#), the Columbia Journal online.

Additionally, I am in the process of converting my thesis project *Jewish Family Robinson* to a saleable book.
